Follow up from the 78th Meeting

- Chuck Weinstock document to codify membership rules
 - Would like to reopen discussion.
 - Please send comments to the mailing list.
 - Let us finalize document and vote by the end of February.
- Experience from virtual meetings
 - No substitute for physical meetings.
 - But allows greater participation. Number of participants greater than any physical meeting in recent memory.
 - Suggest: A monthly technical seminar and social (2 hours).
 - Will call for vote.

IFIP 80th Meeting, Summer 2021

- Will be virtual
- Technical part of the meeting is currently wide open
 - Original plans were for a physical workshop on resilience of AI and ML-based systems
 - However, the assessment of the organizers is that it will be difficult to reap benefits if the meeting is virtual
- Would like to get proposals for the technical part--URGENT

Update on the Jean-Claude Laprie award

- Received only 3 nominations 🥹🥹🥹
 - Compared to 11 last year
- Question:
 - Can we recycle previous nominations?
- Sonia Ben Mokhtar has agreed to chair the committee, currently in discussion with her

New Members

- Two nominations with supporting documents:
 - Wilfried Steiner, TTTECH
 - Andrea Ceccarelli, Firenze
- One nomination with no supporting document, presentation deferred to summer:
 - Giuliano Casale, Imperial College
- Two suggestions for monitoring
 - Jiangshan Yu, Monash
 - Marcus Völp, Luxembourg

Update on DSN 2021 Preparation

- Sy-Yen, Yennun and Mohamed
